

Fudge for Fetes?

In today's busy world, we all know how difficult it is to find those wonderful people who are willing to give up their time to prepare for school fetes. The homemade cakes/sweets stall at every fete is always a favourite, but the time and preparation to supply the goods for this stall can be very time consuming and labourous. That is why Sweet Corner has come up with an idea to help schools with the preparation of their school fetes.

Everyone loves Fudge!

Why not set up a Fudge Stall!! You supply the stall, we will supply the banner and the fudge.

We can supply the fudge to you in slabs and all you need to do is cut it up and package it any way you like, or if you prefer, we can cut it in pieces prior to delivering it to you.

How Much?

The wholesale purchase price for your organisation would be \$65.00 per slab. What you sell it for would be entirely up to you, but as an example, we would suggest the following:

There are 24 equal squares in a slab of fudge. We would suggest you retail the fudge at \$3.75 per square (approx. 100g) or \$1.90 per half square (approx. 50g). That equates to \$90.00 per slab. An example of your profit margin would be as follows:

50 slabs @ \$90.00 per slab (retail price)	\$4500.00
50 slabs @ \$65.00 per slab (wholesale price)	<u>\$3250.00</u>
PROFIT FOR YOUR FETE STALL	\$1250.00

“ Testimonials ”

“Sweet Corner is by far, the best smelling shop I have ever walked into. Plus, it also has the best range of confectionery.... yummy!”

A.Lawrence

I go into Sweet Corner every day to get my piece of caramel fudge.

It's my sweet "pick me up" every day.

J. Baker, Victoria Point

As with everything Thérèse does, Sweet Corner is a first class shop for fudge, chocolate and confectionery. Congratulations!

Brian Lattimer, Gold Coast

We absolutely love fudge and travel everywhere to get it, but the fudge at Sweet Corner is the best we have tasted.
